

ORDINANCE 2022-06
VILLAGE OF MISHICOT

AN ORDINANCE TO AMEND THE CODE OF THE VILLAGE OF MISHICOT BY ADDING ITEM G. (13) TO CHAPTER 336-6 THEREOF, "PARKING LIMITATIONS", WHICH CHAPTER PROVIDES FOR RULES AND REGULATIONS REGARDING PARKING WITHIN THE VILLAGE LIMITS.

It is hereby ordained by the VILLAGE OF MISHICOT, Manitowoc County, Wisconsin, as follows:

§ 336-6 Parking limitations.

- A. Parallel parking. No person shall park any vehicle upon the streets in the Village if such vehicle is not parked parallel to the right-hand curb not more than 12 inches from the curb, except where appropriate markings on the Village streets have been placed which indicate a different angle of parking.
- B. Not to use more than one space. No person shall use more than one parking space to park a vehicle in the Village if such parking space has been indicated by appropriate markings.
- C. Posted limitations. The Village Board may designate certain streets or portions of streets as no parking or no stopping or standing zones or as zones for parking by physically handicapped persons and may limit the hours in which the restrictions apply. The Village shall mark, by appropriate signs, each zone so designated in accordance with the provisions of § 349.13, Wis. Stats. Except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or traffic control device, no person shall stop or park a vehicle in an established no stopping or standing zone when stopping or standing is prohibited. No vehicle shall be parked in a no parking zone during hours when parking is prohibited except physicians on emergency calls or as permitted by state law or elsewhere by this Code. The Chief of Police is hereby granted the authority, within the reasonable exercise of police power, to prohibit, limit the time or otherwise restrict the stopping, standing or parking of vehicles beyond the provisions of Ch. 346, Wis. Stats., and shall also have the authority to restrict the turning or movement of heavy traffic and to impose special weight limitations on any highway or portions thereof which, because of the weakness of the roadbed due to deterioration or climatic conditions or other special or temporary conditions, would likely be seriously damaged or destroyed in the absence of any restrictions on heavy traffic movement or special weight limitations. No prohibition, restriction or limitation on parking or restriction on movement or turning of heavy traffic and imposition of special weight limits is effective unless official traffic control devices have been placed or erected indicating the particular prohibition, restriction or limitation.
- D. Seventy-two-hour limitation. No person shall park or leave standing any vehicle on any street in the Village for a period of 72 or more consecutive hours in the same location at any time. When any police officer shall find a vehicle standing upon a street in violation of the provisions of this section, he is authorized to move such a vehicle or require the operator in charge thereof to move such vehicle to a position permitted under this chapter. The police officer may cause said vehicle to be removed to a proper impoundment and storage area within the Village where storage space is available, and in such case the owner shall pay the costs of removing said vehicle and the storage fees on said vehicle before he may recover the possession thereof.
- E. Night parking limitations. Except for physicians on emergency calls, no motor vehicle shall be left unattended or parked on any Village Street on any day between the hours of 2:00 a.m. and 7:00 a.m. during the months of December 1 through March 31.

- F. No trailer unit of any type shall be left on any roadway at any time unless it is attached properly to a towing vehicle unless authorized by the Police Department (example: boat trailer, utility trailer, horse trailer, etc.).
- G. Parking prohibited. No person shall stop, park or leave standing any vehicle, whether attended or unattended and whether temporarily or otherwise, in any of the following places:
- (1) Within an intersection.
 - (2) On a crosswalk.
 - (3) On a sidewalk or sidewalk area, except when parking in such place is clearly indicated by official traffic signs or markers or parking meters.
 - (4) Alongside or opposite any highway excavation or obstruction when such stopping or standing would obstruct traffic or when pedestrian traffic would be required to travel in the roadway.
 - (5) On the roadway side of any parked vehicle unless double parking is clearly indicated by official traffic signs or markers.
 - (6) Within 20 feet of the driveway entrance to a fire station or as otherwise posted.
 - (7) Upon any portion of a highway where and at the time when stopping or standing is prohibited by official traffic signs indicating the prohibition of any stopping or standing.
 - (8) In any place or manner so as to obstruct or hinder traffic.
 - (9) More than 12 inches from the curb.
 - (10) On the wrong side of the street, facing oncoming traffic.
 - (11) On any Village-owned area where lawn has been planted without permission.
 - (12) Within four feet of a driveway entrance.
 - (13) No person shall, without the permission of the owner or lessee of any private property, leave or park any vehicle on said private property.

This ordinance shall take effect the day after posting.

Passed and adopted this 6th day of September, 2022.
