**DOG LICENSES – IMPORTANT NOTICE.** State law requires all dogs to be licensed annually. Proof of current rabies vaccination must be presented before a dog license will be issued. **Please bring in your rabies vaccination even if you previously provided one** as we have a new dog license program this year and will need it to update your dog's information. **Mishicot Village Clerk News-(Continued)**

**MISHICOT MAINTENANCE-SNOW REMOVAL**

Hello to all Village of Mishicot property owners. Many questions have come up regarding snow removal policies within the Village of Mishicot. The following is the village's ordinance concerning sidewalk snow removal:

**6.08 SNOW AND ICE REMOVAL. (1) FROM SIDEWALKS.** All village residents and property owners have 24 hours after the snowfall to remove snow and ice from their sidewalk; otherwise, the village will clear the sidewalk and send you an invoice. Failure to pay the invoice will result in it being applied to the tax roll as a special charge.

**(2) DEPOSITS IN STREETS PROHIBITED.** It is unlawful for any person in clearing snow from parking lots, driveways, filling stations, garages, retail stores, apartment buildings, or other areas to pile or distribute snow, or cause snow to be piled or distributed, in a street or alley in any manner that tends to narrow the traveled portion of the street, prevent parking at the curb, or in any other way impede snow removal or create a traffic hazard. Persons having an accumulation of snow that cannot be removed as set forth in the Section shall be responsible for its handling at their own expense without depositing same in the public streets or alleyways. (12-03-96). Also, remember that the village has a winter parking ban between the hours of 2:00 a.m. and 7:00 a.m. during the months of December 1 through March 31.

**QUESTIONS ABOUT HOW YOUR TAX BILL IS CALCULATED?**

### **Brotherhood Against Bullying**

2023 is a milestone for Brotherhood Against Bullying Inc. (501c3). We would be honored if your corporation could help us in raising funds for a youth club. We are located at 204 east Main St. in Mishicot Wi. Where we would be providing a judgment free zone for the youth of the surrounding communities to come in, relax and meet kids of various age groups and talk to others about additional issues related to what troubles today's youth. This youth club will be a drug free zone, vaping, smoking, and all illegal activities are strictly prohibited. Our sister club (212 Crew Power Of Family) which consists of the children we look after whom deal with either bullying issues or adolescent suicide tendencies will be operating the youth club on days that it will be open. With your monetary donation of \$650.00 we will be providing a free play arcade game console. Your donation will be used to purchase a podium for a two-player arcade game console, a two-player game console and a 32" LED tv. Our goal is 15 arcade systems that would be enough for 30 children to play together. With your generous donation we would provide an engraved plaque of your corporation's name displayed above the sponsored arcade unit. Thank you for considering supporting Brotherhood Against Bullying Inc. along with its mission.

Sincerely: Brotherhood Against Bullying Inc. and its Members, Joseph "woodtick" Baril (president/founder)

## Mueller Wealth: Growth and Trust

Dear Community,

As the owner of Mueller Wealth, I am thrilled to share with you an update on the journey of our family-owned business. With over 25 years of experience in the industry, we have always strived to provide the best fiduciary wealth management services. Today, I am proud to announce that as of November 21, 2023, the assets that Mueller Wealth manages have nearly quadrupled since 2018. We have also donated over \$7,000 to local non-profits in 2023 alone. One of the main drivers has been our clients' utilization of our "Do-It-For-Me" system. We educate you - you authorize it - then we "do-it-for-you" or with you. Done.

Our firm, with locations in Mishicot, Oshkosh, and Sherwood, is built on the foundation of trust, and a commitment to our clients' financial well-being. As a father-son team who earned the CERTIFIED FINANCIAL PLANNER™ credentials, a well-regarded designation in the industry, we have always prioritized your financial goals and aspirations.

Our growth has not been limited to our local communities. We are excited to share that Mueller Wealth has expanded its reach over time to several different states, serving clients both locally and nationally. This expansion is a testament to the trust placed in us, and we are deeply grateful for your continued support. This growth would not have been possible without the help of Christine Bressler, our assistant, and Parker Mueller, my son, and Wealth Advisor.

Supporting local businesses has a profound impact on this community. It fosters economic growth, creates job opportunities, and strengthens the community fabric. We want to extend our heartfelt thanks to those that have chosen Mueller Wealth and for supporting other local businesses. By the way, Mueller Wealth is hiring! We need an additional support person to help and work alongside Christine.

Do you know of someone you can virtually hear smiling when talking on the phone with them? Someone who is detailed orientated and excels at using technology in general? Have them give us a call! We are looking for someone awesome that will be with us for a decade or more. Our clients expect and deserve VIP service. We work hard and celebrate our successes. No experience necessary, but a sense of humor is!

As we look forward to the future, we invite you to consolidate your investments with us, your local, confidential, and proactive wealth management firm. We remain committed to providing personalized financial planning and investment management services that align with your unique financial goals. What do you want to improve, develop, or change regarding your finances? Why wait any longer? Give us a call (920) 267-6710.

Thank you for your trust in Mueller Wealth. We are excited about what the future holds and look forward to serving you for decades to come.

Have a Merry Christmas!

The Mishicot Community Athletic Complex & Vinton Construction officially broke ground on November 6<sup>th</sup>. We held a groundbreaking ceremony on November 9<sup>th</sup> which is pictured above

The Mishicot Community Athletic Complex is seeking to acquire funds for an athletic complex in the Village of Mishicot. This will be self-funded by our organization and the Village of Mishicot. This investment will benefit hundreds of youth who will be provided with additional opportunities to participate in baseball and softball. The economic impact will be felt throughout Mishicot with the large amounts of people drawn to the area.

The Mishicot Community Athletic Complex Committee has been active in creating a development plan for a complex that will provide the opportunity for over 200 youth, ages 6-18, to participate in baseball and softball. The complex will consist of four diamonds that will allow multiple games to be played simultaneously, with one of the diamonds being a regulation baseball field. There will also be a sizable concession stand with large bathrooms. The facility is handicap accessible to fit the needs of the large number of people attending the games, which will allow this facility to support multi team tournaments.

When complete, this project will serve softball and baseball teams throughout Northeastern Wisconsin, and far beyond. Because we have consistently experienced a great demand for additional tournament space, we will be able to attract more than enough teams for at least six tournaments every season with 50 or more teams per tournament. We anticipate that our new sports complex will serve teams from at least 33 surrounding communities. The Manitowoc Area Visitor's Bureau estimated that these tournaments would draw a

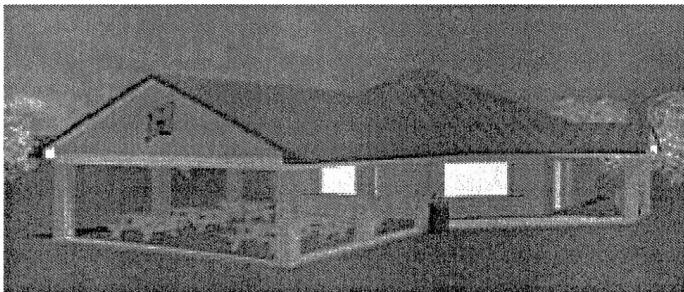

conservatively estimated 15,750 players, coaches, and their families to our community each season.

The Manitowoc Area Visitor & Convention Bureau's Economic Impact study for our project finds that the financial impact resulting from its successful completion will result in approximately \$640,695 inserted into our local economy every season, or \$106,782.50 per tournament hosted. This amount of revenue injected into our community each year would save the economy of Mishicot and pave our way to a successful and tourism-rich future.

The Mishicot Community Athletic Complex works through MAGIC (Mishicot Area Growth and Improvement Committee), which is a 501 (c)(3) whose mission is to promote economic growth in Mishicot and provide opportunities for youth and the community of Mishicot to thrive. This complex will not only expand our community, but aid in teaching our youth skills such as teamwork, collaboration, and time management.
